Elliot P. Dawson – Bioventures, Inc. Biology Scholarship

This award was established in 2000 by Elliot P. Dawson.

Alumnus

Elliot P. Dawson received a B.S. of Biochemistry from MTSU in 1970. He was an exceptional research scientist, entrepreneur, University partner and Bio-Ventures, Inc. President. As a result of his desire to repay MTSU for the quality education he received while a student in the late 1960's, Elliot P. Dawson – Bio-Ventures, Inc. made a founding gift in 1999 to provide scholarship support for students in the departments of Biology and Chemistry at Middle Tennessee State University.
