

DUNN

Mary C. Dunn Honorarium and Mary C. Dunn Quasi-Endowment

These awards were established in 1988 by the estate of Dr. Mary C. Dunn.

MTSU biology faculty 1965-1987

Dr. Mary C. Dunn received her B.S. from Winthrop College in 1945, her M.S. from the University of Michigan in 1947, and her Ph.D. in 1957 from the University of Georgia.

Dr. Dunn joined the MTSU faculty in 1965. She was a no-nonsense teacher who had high expectations of her students and as a scientist who was a competent researcher and a dedicated professional. She published more than a dozen articles in such journals as *The Journal of Parasitology*, *Journal of Infectious Diseases*, *American Journal of Tropical Medicine*, *Journal of the American Pharmacological Association*, and the *Journal of the Tennessee Academy of Science*. Her dedicated services as secretary-treasurer of the Southeastern Society of Parasitologists (SSP) was recognized in a special ceremony organized on her behalf by the officers of SSP.
